

ADMISSIONS PROSPECTUS • ACADEMIC YEAR 2025 - 2026

Shaping Future *Leaders, Innovators* & Global Thinkers

KNOWLEDGE • CHARACTER • EXCELLENCE

KINDERGARTEN — GRADE 05

FOUNDING BATCH — LIMITED ENROLMENT

About *ALC British School*

ALC British School is built on a singular conviction: that every child carries the potential to lead, create, and shape the world. We deliver a British-inspired curriculum through a future-ready framework — where academic rigour meets purposeful character development, and where classrooms become launchpads for extraordinary lives.

01

BRITISH CURRICULUM

02

FUTURE-READY FRAMEWORK

03

CHARACTER-LED MENTORSHIP

We do not simply prepare children for the next grade. We prepare them for the next era — equipping them with the confidence, clarity, and capability to lead wherever life takes them.

OUR PHILOSOPHY

Education is not information transfer — it is identity formation. At ALC, we build thinkers, communicators, and problem-solvers from the earliest years.

OUR COMMITMENT

Every student receives individualised attention, structured mentorship, and a learning environment designed to draw out their highest potential — every single day.

02 OUR VISION

We build *leaders,* not followers.

At ALC British School, we envision a generation of confident young individuals who do not wait for the world to change — they change it. Our vision is not a slogan. It is a daily practice embedded in every lesson, every interaction, and every milestone your child achieves with us.

MISSION

*To ignite curiosity
and cultivate
greatness in every
child.*

PURPOSE

*To raise the next
generation of
global citizens
with purpose and
character.*

PROMISE

*That every child
who walks
through our doors
will leave ready to
lead.*

Our *Approach*

Learning at ALC is not passive. It is energetic, experiential, and designed to make children fall in love with discovery.

I

ACTIVITY-BASED & FUN LEARNING

Every concept is taught through hands-on activities, collaborative projects, and real-world challenges. Children learn best when they are engaged — so we make every lesson an experience worth remembering.

II

ENGLISH COMMUNICATION MASTERY

Fluency and confidence in English are foundational. From structured conversation sessions to public presentations, students develop the command of language that opens global doors.

III

CONFIDENCE & PUBLIC SPEAKING

We place the stage at the centre of development. Regular opportunities to present, debate, and perform build the kind of self-assurance that distinguishes leaders from the earliest age.

IV

CRITICAL THINKING & CREATIVITY

We train students to question, analyse, and innovate — not simply to memorise. Problem-solving is woven into every subject, every week, from KG through Grade 05.

V

CHARACTER & LEADERSHIP FORMATION

Respect, resilience, responsibility, and empathy are not add-ons — they are embedded in the daily culture of ALC. We shape who students are, not just what they know.

Future-*Focused* Education

The world your child will lead does not yet exist. We prepare them for it anyway — with the mindset, skills, and awareness to thrive in an era defined by technology, disruption, and possibility.

AI AWARENESS

Children gain foundational understanding of artificial intelligence — how it works, where it is going, and how they can use it as a tool rather than be replaced by it.

INNOVATION MINDSET

We teach students to see problems as opportunities. Through structured innovation challenges, they develop the habit of thinking creatively under real constraints.

ENTREPRENEURSHIP THINKING

From early concept mapping to simple business ideas, students begin to understand value creation, ownership, and the courage to start something from nothing.

PROBLEM-SOLVING SKILLS

Every subject is taught with a problem-first philosophy. Students learn to define challenges clearly, think systematically, and execute solutions with confidence.

OUR COMMITMENT TO THE FUTURE

ALC British School continuously evolves its curriculum in alignment with global education trends — ensuring your child is never behind the curve, but always ahead of it.

Programme *Levels*

A seamless six-year journey from first discovery to confident independence.

KG 1	KG 2	GRADE 01	GRADE 02	GRADE 03	GRADE 04 – 05
KG Ages 4 – 5	KG Ages 5 – 6	G1 Ages 6 – 7	G2 Ages 7 – 8	G3 Ages 8 – 9	G4–5 Ages 9 – 11

Each stage is carefully scaffolded to build upon the last — nurturing curiosity in the early years, deepening knowledge in the middle years, and cultivating leadership in the upper primary years.

EARLY YEARS

Play-based discovery, social development, phonics, early numeracy

FOUNDATION YEARS

Literacy, numeracy, science, creative arts, communication skills

UPPER PRIMARY

Critical thinking, leadership projects, English mastery, innovation labs

Our *Educators*

Behind every confident child is a teacher who believed in them first. Our educators are not just qualified — they are deeply committed to the growth of every individual student.

GRADUATE TEACHING PANEL

Every member of our academic team holds a recognised graduate qualification in education or their specialist discipline. Expertise is a baseline requirement, not a distinction.

MENTORSHIP-FIRST APPROACH

Our teachers see themselves as mentors and role models. They invest time in understanding each child's unique strengths, challenges, and learning style — then adapt accordingly.

INDIVIDUAL STUDENT ATTENTION

Deliberately limited class sizes ensure that no child is invisible. Every student receives consistent, meaningful interaction with their teacher throughout each school day.

CONTINUOUS PROFESSIONAL GROWTH

Our educators undergo regular training in current pedagogical practices, including differentiated instruction, project-based learning, and social-emotional development.

"The measure of a great teacher is not what they put into a student — it is what they draw out."

ALC BRITISH SCHOOL — EDUCATOR PHILOSOPHY

Why Choose *ALC*

The distinction is in the detail — and the outcomes.

L

LEADERSHIP DEVELOPMENT

Leadership is cultivated from day one. Through structured opportunities to lead, present, and collaborate, every child develops the confidence and capability to take initiative.

G

GLOBAL PERSPECTIVE

A British curriculum delivered with international awareness ensures students are exposed to diverse viewpoints, global challenges, and the cultural intelligence to navigate any room.

P

PERSONALISED LEARNING

No two students are identical. Our educators adapt their approach to the individual — ensuring that every child is seen, heard, and appropriately challenged at all times.

E

SAFE & INSPIRING ENVIRONMENT

Learning flourishes in safety. ALC provides a nurturing, well-structured environment where students feel confident to explore, make mistakes, and grow without hesitation.

C

CHARACTER ABOVE ALL

Academic achievement matters deeply. But at ALC, we measure success equally by the kind of person a child becomes — empathetic, principled, and resilient.

F

FUTURE-READY FROM DAY ONE

AI literacy, entrepreneurial thinking, and innovation mindset are not electives at ALC. They are woven into the fabric of how we teach — from Kindergarten onward.

Be Part of the First.

The Founding Batch of ALC British School is a rare and significant moment — a limited cohort of families who will help shape the culture, legacy, and identity of a school built for tomorrow's world. This invitation will not repeat itself.

I

FOUNDING STATUS

Permanent recognition as a founding family of ALC British School — a distinction that carries meaning well beyond the first year.

II

PRIORITY ACCESS

Founding Batch families receive guaranteed priority enrolment for siblings and for future academic programmes as the school grows.

III

EARLY ADVANTAGE

Children who enter at the foundational stage gain the deepest familiarity with our methods — a head start that compounds year after year.

SEATS AVAILABLE — REGISTER NOW

Limited

Due to our commitment to individual attention and small class sizes, the Founding Batch is strictly limited. Once filled, this opportunity closes. We encourage families to register their interest immediately to secure their child's place.

Begin the *Journey* Today

Your child's future is being shaped right now — choose where it begins
